Request for a campus movie theater

Dear President Bioteau:

A movie theater on campus would be a great addition to an already wonderful school. The community just needs a little incentive for our students to succeed. When we install a movie theater on campus, it will encourage more student attendance. We can offer rewards to students with outstanding grades such as free movie tickets and concessions. It would be a cinematic improvement.

-  Open to the community
-  Employment, work study/part time
-  Increase economic value for comers and goers
-  Improves Student attendance and GPA
-  Students won't dread coming to SLCC
-  Great stress relief
-  Something to do between Classes
-  HAVE A GOOD TIME ON CAMPUS 😊

Sincerely,

Producers and directors

Marie Wilde, Kul Acharya, and Sanel Prlja
